

July 2016

Dear Parent/Carer

Music Opportunities at Hope Academy

Many students are given the opportunity at Primary School to experience playing an instrument through the Wider Opportunities Scheme run by St Helens Music Service.

At Hope Academy students have the opportunity, and are encouraged, to develop their interests and skills in Music.

We currently offer lessons on as follows:

Piano / Keyboard	- Times to be confirmed
Tuesday	- Brass and Brass Band 3.30pm – 4.30pm (Instruments will be provided if necessary)
Wednesday	- Guitar and Drumkit 9.30am – 2.20pm

Extra-curricular and Enrichment opportunities are available as follows:

Singing Squad	- lunchtimes
Rock School	- Wednesday 2.30pm – 4.00pm

St Helens Music Service will be relocating their Music Centre in Newton to Hope Academy each Thursday from 3.30pm.

We have plans for further music clubs and groups to be launched in September.

To help us to follow up students who have had instrumental lessons at Primary School, or who have private lessons, would you please complete the information overleaf and return to Hope Academy in September.

Yours sincerely

L McAleer
