

Faculty: Health and Social Care

School's Curriculum Vision:

Hope Academy is a family, guided by Christian love, in which we serve our whole community with empathy and compassion, helping every member to flourish so all can pursue a rich and full life.

Our curriculum is designed to encourage a love of life-long learning, guided by the ultimate Christian value of love. We work to ensure that our curriculum makes our school's vision a reality and that every member of our Hope family can flourish and be the best that they can be.

Subject Vision:

By looking at life through the eyes of others, students studying Health and Social care will develop a deeper understanding of the attributes needed to care for others.
