

Homework delivery plan 2023-24– Autumn Term

Subject: Maths

Year 7 AUTUMN 1	Topic	Homework task for students	Feedback within lesson
WK1			
WK2			
WK3	Sequences	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	
WK4	Sequences	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK5	Algebraic Notation	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK6	Algebraic Notation	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK7	Algebraic Notation	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK8	Equivalence and Equality	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
AUTUMN 2			
WK9	Equivalence and Equality	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK10	Equivalence and Equality	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK11	Place Value	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge

			organisers and insights from Sparx tasks
WK12	Place Value	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK13	Decimals	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK14	Decimals	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks
WK15	FDP	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Connect tasks in lesson – 5 questions based around information from the knowledge organisers and insights from Sparx tasks

Year 8 AUTUMN 1	Topic	Homework task for students	Feedback within lesson
WK1			
WK2			
WK3	Ratio and scale	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	
WK4	Ratio and scale	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK5	Ratio and Scale	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK6	Multiplicative Change	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK7	Multiplicative Change	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK8	Multiplicative Change	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
AUTUMN 2			
WK9	Fractions	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK10	Fractions	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK11	Working in the cartesian plan	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK12	Working in the cartesian plan	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK13	Working in the cartesian plan	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.

WK14	Representing data	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK15	Representing data	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.

Year 9 AUTUMN 1	Topic	Homework task for students	Feedback within lesson
WK1			
WK2			
WK3	Forming and solving equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	
WK4	Forming and solving equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK5	Forming and solving equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK6	Measures of location	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK7	Measures of location	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK8	Measures of location	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
AUTUMN 2			
WK9	Straight line graphs	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK10	Straight line graphs	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK11	Straight line graphs	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK12	Area of trapezia and circles	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK13	Area of trapezia and circles	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.

WK14	Area of trapezia and circles	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK15	3D Shapes	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.

Year 10 AUTUMN 1	Topic	Homework task for students	Feedback within lesson
WK1			
WK2			
WK3	Congruency, similarity, and enlargement	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	
WK4	Congruency, similarity, and enlargement	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK5	Congruency, similarity, and enlargement	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK6	Pythagoras and Trigonometry	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK7	Pythagoras and Trigonometry	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK8	Pythagoras and Trigonometry	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
AUTUMN 2			
WK9	Inequalities	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK10	Inequalities	Complete online Sparx tasks, set on the Sparx	Complete online Sparx tasks, set on the Sparx website. Watch associated videos

		website. Watch associated videos and complete independent learning tasks.	and complete independent learning tasks.
WK11	Inequalities	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK12	Simultaneous Equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK13	Simultaneous Equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK14	Simultaneous Equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK15	Simultaneous Equations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.

Year 11 AUTUMN 1	Topic	Homework task for students	Feedback within lesson
WK1			
WK2			
WK3	Inequalities	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	
WK4	Speed, distance and Time	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK5	Angles	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK6	Pythagoras and Trigonometry	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK7	Transformations	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK8	Algebraic manipulation	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
AUTUMN 2			
WK9	Algebraic manipulation	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK10	Equations	Complete online Sparx tasks, set on the Sparx	Complete online Sparx tasks, set on the Sparx website. Watch associated videos

		website. Watch associated videos and complete independent learning tasks.	and complete independent learning tasks.
WK11	Proportion	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK12	Percentages	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK13	Surface area and volume	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK14	Percentages	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
WK15	Averages	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.	Complete online Sparx tasks, set on the Sparx website. Watch associated videos and complete independent learning tasks.
