

Summary –16-19 tuition fund spend

Guidance from Gov. <https://www.gov.uk/guidance/16-to-19-funding-16-to-19-tuition-fund>

Guidance summary The funding is being provided to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted. For example, vocational courses where assessment has been deferred because of lockdown. Although the actual tuition does not need to be for GCSE English or maths, the students supported all need to be those who had not achieved grade 5 or above in at least one of those subjects at this level by age 16. All supported students must be on a 16 to 19 study programme.

Providers should prioritise support for students who have not achieved a grade 4 in English and/or maths. However, further to those students, if providers have funding available within their allocations they should consider

Estimated at £9k for Hope

How Hope will use Arranging tuition through recommended government tuition providers, complemented with in house supported tuition and a one to one programme working with PHD students to encourage students to choose and aspire to University places
