

27th November 2023

Dear Parents and Carers,

I would like to say a big thank you for your support over the first few months since your child has moved to Hope Academy. After an initial period of getting to know the students, and gathering assessment information there will be some minor adjustments to groups to further enhance their daily learning within classrooms. Year 6 SATs, cognitive assessments and internal subject assessments have all been used to inform the process.

For MFL, students are currently studying two languages and whilst we are delighted with how students are enjoying and engaging with their lessons, we are adapting the curriculum to focus on Spanish only which enables us to increase the number of lessons and improve progress in one language.

Students will be provided with a new timetable on Monday 4th December during Inspire.

Should you have any queries, please e-mail parent@hopeacademy.org.uk.

Yours faithfully,

Mr J Ellis
Vice Principal
